SURVIVOR

Travelling through the Swartland on the back of a truck a Nguni cow knew a beautiful vineyard when she saw one and jumped off. She was appropriately named Survivor when the grower found her grazing in his vineyard.

Acclaimed winemaker Pierre Wahl heads up as our Cellar Master for SURVIVOR Wines. Pierre is a member of the highly respected Cape Winemakers Guild and recipient of the 2016 Diners Club Winemaker of the Year Award. Within the industry, he is affectionately known as the ‘Pope of Pinotage’, in recognition of his expertise with this unique varietal.

“ This is what makes SURVIVOR Wines so special, we get to choose distinctive grapes from the most expressive terroirs from several of South Africa’s best wine-producing regions.”
